City _____ State _____ Zip _____

Phone Number _____

Authorized Signature _____

Please provide your e-mail address if you would like to receive updates about local tobacco control laws, upcoming city council meetings and other opportunities for protecting kids in San Diego from tobacco.

E-mail _____

The above-named organization/individual endorses the efforts of the Tobacco-Free Communities Coalition to protect kids from tobacco and thereby supports an ordinance to license tobacco retailers including the following provisions:

1. Universal licensing of all tobacco retailers, not just those that break the law
2. An annual license fee sufficient to cover the costs of administering and enforcing the licensing program
3. Required compliance with all local, state and federal tobacco control laws as a condition of holding the license
4. Inspection of all stores or a representative sample of stores each year to check compliance with the law
5. A schedule of penalties that includes suspension and revocation of the license for violators who repeatedly sell tobacco to minors

Further, I/we authorize the Tobacco-Free Communities Coalition to use my/our name as a supporter of tobacco retailer licensing in press releases, printed materials and communications to my city council.

Please submit completed form to:
